

Notice of Availability
***** Stage 0 Feasibility Study Report*****
I-10 Corridor Improvement Study
East and West Baton Rouge Parishes
State Project No. H.004100.1
Federal Aid Project No. AC-NH-1710(510)

The Louisiana Department of Transportation and Development (DOTD) and the I-10 Corridor Improvement Study Project Team announce the availability of the Feasibility Study report for the I-10 Corridor Improvement Study. This study proposes improvements to the I-10 Corridor in Baton Rouge, extending from Essen Lane to LA 415 in West Baton Rouge Parish, LA. This information is available for comment beginning Thursday, August 4, 2016 and ending Friday, August 19, 2016; allowing for a 15-day public commenting period. The Feasibility Study report is available in the following formats and at the following locations:

Digital

- www.i10br.com (see the "Latest News" block on the left side of the webpage.)
- DOTD website:
http://wwwapps.dotd.la.gov/administration/public_info/projects/home.aspx?key=79

Hard Copy

- DOTD Headquarters (1201 Capitol Access Road, Room 202G, Baton Rouge, LA 70802)
- DOTD District 61 Office (8100 Airline Hwy, Baton Rouge, LA 70715)
- Providence Engineering (1201 Main Street, Baton Rouge, LA 70802)
- East Baton Rouge Parish Main Library (7711 Goodwood Blvd., Baton Rouge, LA 70806)
- Carver Branch EBR Library (720 Terrace St., Baton Rouge, LA 70802)
- West Baton Rouge Parish Public Library (830 N. Alexander Ave., Port Allen, LA 70767)

Copies of this report will be made available upon request at the expense of the person requesting this information at the DOTD District 61 Office, and at a cost equal to the DOTD's cost of reproduction.

The Feasibility Study concludes DOTD's Stage 0 process; the results and alternatives recommended for further consideration in this Feasibility Study will be adopted into the Environmental process (Stage 1) tentatively scheduled to begin in the fall of 2016.

All comments must be submitted electronically or postmarked by Friday, August 19, 2016 to become part of the official project documentation. Send comments to:
